# CAADPE PARTNERS PROGRAM

## THE CALIFORNIA ASSOCIATION OF ALCOHOL AND DRUG PROGRAM EXECUTIVES

CAADPE is a statewide association of community-based nonprofit substance use disorder treatment agencies. Its members provide substance use disorder services at over 300 sites throughout the state and constitute the infrastructure of the state's publicly funded substance use disorder treatment network. It is the only statewide association representing all modalities of substance abuse treatment programs. This unique network provides an opportunity for dialogue and discussion with program executives. CAADPE can provide you with the right venues to establish contacts and conversations necessary to help your business/organization reach its goals.

### THE CAADPE WEEKLY MEMO

CAADPE's *Memo* is read weekly by the top financial decision makers in substance use disorder treatment and rehabilitation programs. The *Memo* is distributed via email to all CAADPE members and key policy makers in the state capitol. The *Weekly Memo* reports on fast breaking public policy developments and keeps members-up-to-date about issues and governmental actions that affect substance use disorder treatment providers and their clients by reporting news from state and federal lawmakers and regulators. PARTNERS are acknowledged in each issue of the *Memo*.
