

CAADPE Vote Record

**California State Legislative Session
2021/2022**

About CAADPE

Established in 1989, CAADPE member agencies provide substance use disorder treatment services at over 300 sites in California. CAADPE is the ONLY state-wide Association representing all types of substance use disorder treatment programs in California. Membership in CAADPE is by agency, and each member agency is represented at CAADPE by the chief executive leader or his/her designee.

CAADPE is organized by chapters throughout the state and headquartered in Sacramento for easy access to state government. At the state-wide level, a volunteer board of directors, guides the Association and its policies on issues vital to its members. Through our committee structure CAADPE addresses the needs of the field and identifies the policy issues of the organization. CAADPE members are urged to volunteer their time in their respective areas of expertise.

Greetings CAADPE Members

The California Association of Alcohol and Drug Program Executives (CAADPE) continues to partner with legislators and stakeholders to support meaningful change within our Substance Use Disorder (SUD) delivery system. In addition to our regulatory and convening work, we work diligently to represent our high-quality providers within our state and federal legislatures and regulatory bodies. This advocacy is critical as we head into systemic changes such as CalAIM, overdose prevention policies, and paperwork reduction.

State lawmakers make critical policy decisions that impact consumers and providers, and how each legislator votes on SUD policy matters to our work. Every year we advocate for legislation that supports the delivery of high-quality, cost-effective, culturally competent mental health and substance use disorder care for Californians. To better measure our elected officials, we created a voting record for crucial pieces of SUD legislation in 2022. This record shows how each Senator and Assemblymember voted on key SUD policy bills that mirror the values of CAADPE members. Reviewing this report, give special consideration to our sponsored two bills this session. Both AB 1860 (Ward) on SUD Workforce and SB 57 (Weiner) on Overdose Prevention Programs were crucial for the system transformation and should be weighted accordingly.

With appreciation,

Robb Layne
Executive Director
