

CAADPE Vote Record

California State Legislative Session 2022/2023

State lawmakers make critical policy decisions that impact SUD consumers and providers, and how each legislator votes on SUD policy matters to our work. Every year CAADPE advocates for legislation that supports the delivery of high-quality, cost-effective, culturally competent mental health and substance use disorder care for Californians. To better measure our elected officials, we created a voting record for crucial pieces of SUD-related legislation in 2023. This record shows how each Senator and Assemblymember voted on key policy bills that mirror the values of CAADPE members.

About CAADPE

Established in 1989, CAADPE member agencies provide substance use disorder treatment services at over 300 sites in California. CAADPE is the ONLY state-wide Association representing all types of substance use disorder treatment programs in California. Membership in CAADPE is by agency, and each member agency is represented at CAADPE by the chief executive leader or his/her designee.

CAADPE is organized by chapters throughout the state and headquartered in Sacramento for easy access to state government. At the state-wide level, a volunteer board of directors, guides the Association and its policies on issues vital to its members. Through our committee structure CAADPE addresses the needs of the field and identifies the policy issues of the organization. CAADPE members are urged to volunteer their time in their respective areas of expertise.
